Eligibility

To be eligible to apply for and to receive cover under this Policy, You must:

- (a) hold, or intend to hold, a current New Zealand student visa for the duration of the time that You are studying in New Zealand (or a visitor visa if studying for no more than three months); and
- (b) be enrolled at a New Zealand education provider and, at Our request, be able to provide confirmation to Us that You were regularly attending the classes for which You enrolled up until the time You submitted a claim.

You are not eligible for this Policy if You:

- (c) are travelling to New Zealand with the intention of obtaining medical or dental treatment, cosmetic surgery, or related advice; or
- (d) have been advised by a registered medical practitioner that You are not fit to travel.

Please refer to general condition 24 (page 18).

How To Apply

You can buy an International Student Policy online at www.scti.co.nz or by completing an application form through Your Designated Agent.

A requirement of this Policy is that You must have access to a valid email address in order for SCTI to communicate with You on all matters relating to Your Policy, and a New Zealand bank account to receive any claim payment relating to Your Policy. Please refer to general condition 7 (page 16).

If We accept Your application for insurance, We provide confirmation of this by emailing You:

- a copy of Our PDS, including Policy Wording; and
- Your Certificate of Insurance, which sets out details of Your Policy including Your premium, cover type, Start Date of Journey, End Date of Insurance, and any conditions applying to Your Policy; and
- if applicable, written confirmation of cover for specified items and/or Covered Conditions.

Together, these documents set out the terms and conditions of Your Policy.

Cover Types

There are two cover types available:

- 'Individual': applies to one person who is named on the Certificate of Insurance.
- 'Family': applies to either:
 - (a) one person and any of their Dependent Children; or
 - (b) one person their Spouse and any of their Dependent Children; all of whom are named on the Certificate of Insurance and are travelling together on the same itinerary.

Please refer to general condition 25 (page 18).

Your Premium

When You apply for Your Policy, You will be advised of the premium. The premium is based on a number of factors, including the cover type, number and age of people covered, length of Journey and specified items. Your total premium will include government taxes, including Goods and Services Tax (GST) if applicable.

Cooling-Off Period

If You are not completely satisfied with Your Policy, You have cooling-off rights and may be entitled to a refund of Your premium. Please refer to general condition 37 (page 19).

Limits On Cover

You need to be aware that cover under this Policy contains limits. A summary of some of the key limits is set out in this PDS. Full details of Your cover are set out in the Policy Wording. Some examples are:

- If You are thinking about living permanently in New Zealand, We would strongly recommend that You review Your Policy and its suitability for Your circumstances. Once You are a permanent resident of New Zealand, You are no longer eligible for cover under this Policy.
- If You return to Your Home Country on a temporary basis, for a period of no more than 90 days, You will receive cover in accordance with the terms of the Policy, up to a maximum of \$20,000 per Policy. You must hold a return ticket to New Zealand at all times and You must intend to return to New Zealand.
- Some limits under this Policy are applied 'per year.' This means that in the twelve months following the Start Date of Insurance of Your first International Student Policy, You can only claim up to the maximum amount for that benefit. This is regardless of whether or not You have purchased more than one International Student Policy during that year.
- Where a particular benefit has no sub limit specified, the section limit set out in the Schedule of Benefits on page 10 is the maximum amount We will pay for all claims under that section.

Pre-Existing Conditions

Unless accepted by Us first in writing, Your Pre-Existing Conditions are excluded under this Policy.

We consider any medical or physical conditions, symptoms or circumstances which You are aware of, or a reasonable person in Your circumstances ought to have been aware of, prior to Your Start Date of Insurance to be Pre-Existing Conditions. This is regardless of whether or not a diagnosis has been made. If Your Pre-Existing Conditions are undiagnosed, We are unable to assess them and they will remain excluded under Your Policy.

Any Pre-Existing Conditions that We exclude from cover during the application process, You choose not to seek cover for, or do not tell Us about, will remain excluded under Your Policy.

Once We have provided confirmation of Your Policy, You are no longer able to declare any Pre-Existing Conditions and We will not pay any claims directly or indirectly related to these Pre-Existing Conditions.

There are also some conditions that We are unable to offer cover for, even if they manifest during Your Period of Insurance. These are listed under 'General Exclusions of this Policy Applying to All Sections'.

Please refer to general exclusions 1, 2, 3, 4, 5, 6 and 7 (page 20) and the 'Pre-Existing Condition' definition (page 14).

Covered Conditions

A Covered Condition is:

- (a) a medical or physical condition that You disclosed to Us at the time of completing Your application, for which We have confirmed cover in writing; or
- (b) an Illness or Injury that first manifests itself after Your Start Date of Insurance but prior to Your Start Date of Journey, for which You have notified Us and We have confirmed cover in writing.

Please refer to the 'Covered Condition' definition (page 12).

Your Obligations After Your Start Date of Insurance but Prior to Your Start Date of Journey

You must notify Us at info@scti.co.nz of any Illness or Injury, or change in Your Covered Condition, that arises after Your Start Date of Insurance but prior to Your Start Date of Journey.

Unless We have confirmed cover in writing, We will not pay any claims arising directly or indirectly from Your Illness or Injury, or the change in Your Covered Condition, other than where You qualify for cover under and in accordance with section 2.1.

Any further deposits or payments made in relation to Your Journey after You become aware of Your Illness or Injury, or the change in Your Covered Condition, are at Your own risk, and may not be covered should You need to make a claim.

Please refer to general condition 2 (page 16).

Medical Cover

Private hospital treatment is not automatically covered under this Policy so You must first seek public hospital treatment.

Please refer to 'Losses We Do Not Cover Under Section 1' (a) (page 25).

Chronic Injury or Illness

If, during Your Journey, You suffer a Chronic Injury or Illness, We will reimburse You for:

- (a) Actual and Reasonable Medical Expenses incurred in New Zealand during the 12 month period from the date We confirm in writing that You have a Chronic Injury or Illness; and
- (b) costs to evacuate You to Your Home Country at the end of the 12 month period.

Cover for Your Chronic Injury or Illness will cease at the end of the 12 month period, or on Your final return to Your Home Country, whichever occurs first.

If Your Policy expires before the end of the 12 month period, Your Period of Insurance will be extended at no charge until the end of the 12 month period or Your final return to Your Home Country, whichever occurs first.

Please refer to section 1 (page 23).

Changes to Your Journey Relating to an Immediate Family Member

Cover under section 2 is only available for Unexpected Events that directly relate to You, or an Immediate Family member located in Your Home Country.

It is important to consider the health of Your Immediate Family when You arrange travel insurance. There are limits on when and what cover is available where a claim involves an Existing Condition of an Immediate Family Member.

Please refer to the 'Existing Condition of an Immediate Family Member' definition (page 13) and 'Conditions Applying to Section 2' (page 26).

Cover for Your Personal Items

If Your personal items are lost, stolen or damaged, We are entitled to choose between repairing the item, issuing a store credit at a supplier of Our choice, or paying You in accordance with the benefit under section 7.1 (page 32).

There is limited cover for high value items under this Policy. If You are taking high value items with You on Your Journey and You would like these items covered at their current value, You must specify them during the application process and We will confirm in writing if We are willing to offer cover for the specified items. An additional premium will be payable for this additional cover and You must provide Us with the brand and model of the specified item(s).

For specified items, there are specific proof of ownership and value requirements under this Policy. If You cannot meet these requirements, this Policy may not be right for You.

Please refer to the 'Schedule of Benefits' (page 10), section 7 (page 32) and 'Conditions Applying to Sections 6 & 7' (page 33).
