

International Student travel insurance

Insurance that looks after students from other countries while they are studying in New Zealand

Effective from 1 October 2016

Why do you need International Student travel insurance?

All international students are required to have medical and travel insurance while studying in New Zealand.

International Student travel insurance from Southern Cross Travel Insurance has been especially designed to provide international students with the cover they need. You'll have the comfort of knowing you'll be looked after if the unexpected happens.

About Southern Cross Travel Insurance

Southern Cross Travel Insurance (SCTI) is one of New Zealand's most recognised and trusted travel insurance companies. We have more than 30 years of experience and provide a range of specialised insurance products.

Are you eligible?

To be eligible to apply for and to receive cover under this policy, you must:

- hold, or intend to hold, a current New Zealand student visa for the duration of the time that you are studying in New Zealand (or a visitor visa if studying for no more than three months); and
- be enrolled at a New Zealand education provider.

What are you covered for?

This policy covers medical and evacuation, changes to your journey, personal accident, personal liability, rental vehicle excess, cash and travel documents, and baggage and personal items.

For full details of cover limits, see the policy wording.

Do you need Individual or Family cover?

There are two cover types available:

- 'Individual'**: applies to one person who is named on the certificate of insurance.
- 'Family'**: applies to either:
 - one person and any of their dependent children; or
 - one person, their spouse and any of their dependent children;

all of whom are named on the certificate of insurance and are travelling together on the same itinerary.

What else should you know?

Pre-existing conditions

Your pre-existing conditions are excluded under this policy. However, you can seek cover for your pre-existing conditions during the application process.

We consider any medical or physical conditions, symptoms or circumstances which you are aware of, or a reasonable person in your circumstances ought to have been aware of, prior to your start date of insurance, to be pre-existing conditions, regardless of whether or not a diagnosis has been made.

To seek cover for your pre-existing conditions, please call us on 0800 784 691 (within New Zealand) or +64 979 6597 (outside New Zealand) within 31 days of purchasing your insurance to complete a medical assessment, and we will advise whether we can offer cover for your pre-existing condition(s).

Any pre-existing conditions that we exclude from cover during the application process, you choose not to seek cover for, or do not tell us about, will remain excluded under your policy.

When the unexpected happens...

- We pay 100% of your qualifying medical costs in New Zealand, with no excess deduction.
- We have a generous benefit for emergency dental treatment.
- We refund your student fees if you can't finish your studies due to an unexpected event (but not due to the financial collapse of your school).
- We provide travel insurance cover for you while travelling between your home country and New Zealand for up to 31 days.
- We cover you for travel to Australia & the South Pacific for up to 31 days.
- If your cover is continuous, we will cover previously claimed conditions (with the exception of any 'chronic illness or injury') when you renew your International Student policy.

If your pre-existing conditions are undiagnosed, we are unable to assess them and they will remain excluded under your policy.

Once we have provided confirmation of your policy, you are no longer able to declare any pre-existing conditions and we will not pay any claims directly or indirectly related to these pre-existing conditions.

Extra protection for high value items

This policy provides cover up to \$2,500 per item for cameras and computers (including related accessories), \$1,500 per item for other personal items, and \$5,000 in total for all jewellery items up to the section limit specified in the schedule of benefits. High value items can be specified up to \$5,000 per item, with a \$15,000 maximum limit per policy for all specified items. If you require this extra protection, an additional premium will be applicable.

Other important things you need to know

- A requirement of this policy is that you must have access to a valid email address in order for SCTI to communicate with you on all matters relating to your policy, and a New Zealand bank account to receive any claim payment relating to your policy.
- It is your responsibility to read and to be familiar with the policy wording for this policy. The policy wording can be found at www.internationalstudent.co.nz or you can request it from your designated agent.
- Provided your return to your home country is on a temporary basis (you must hold a return ticket to New Zealand and you must intend on returning to New Zealand) for a period not exceeding 90 days, you will receive cover in accordance with the terms of the policy, up to a maximum of \$20,000 per policy.
- If any claim involves an accident, you must first make a claim to the New Zealand Accident Compensation Corporation (ACC).
- We pay when the unexpected happens to you, but only for claims that are actual and reasonable.
- There is a \$100 excess for claims under Section 6 (Cash & Travel Documents). For a claim under Section 7 (Baggage & Personal Items) there is a \$200 excess per unexpected event plus an additional \$500 excess for each laptop, personal computer or tablet computer claimed.
- We will not pay for irresponsible actions, such as leaving personal items unattended.
- We will not pay if drugs, alcohol or illegal activity are involved.
- You are not covered for medical check-ups and treatment for the maintenance of your dental health.

- You are not covered for loss, theft or damage that has not been reported to police, security or appropriate authorities within 24 hours and a written report obtained.
- If you have applied for permanent residency and are injured or become ill, we are still entitled to return you to your home country if you are medically fit to fly. So if you are thinking about living permanently in New Zealand, we would strongly recommend that you review your policy and its suitability for your circumstances. Once you are a permanent resident of New Zealand, you are no longer eligible for cover under this policy.

- (c) which have been diagnosed as a medical condition, or indicative of a medical condition; or
- (d) which are of such a nature to require, or which potentially may require medical attention; or
