Before you go

How to buy a policy

You can buy a *policy* online at www.scti.co.nz or call us on **0800 784 691**. Alternatively, you can complete an application through an *agent* in New Zealand. An *agent* in New Zealand will usually be the school or university that you will attend during your studies, but could also be your travel agent, immigration agent, insurance broker, or other type of business from whom you buy this insurance.

Double-check the information in your policy documents

With so much to plan, it can be easy to overlook mistakes. We recommend you double check:

- your latest *Certificate of Insurance*;
- your medical assessment (if any); and
- any special conditions we may have sent you (including any *Endorsement to your policy*) before the *date your journey starts*.

Make sure it's safe to travel to your destinations

You need to check two things before you start your *journey*.

- when travelling to New Zealand, you need to check any destinations you are transiting through or visiting on www.safetravel.govt.nz. If a destination has a travel advisory of 'Do not travel' or 'Avoid non-essential travel', your cover will be affected; and
- while you are in New Zealand, if you are planning a trip as part of your study, you need to check again to see if the places you're visiting have been in the news. If you travel to somewhere that's been in the news for things that have already happened like *natural events*, your *policy* may not cover you.

> See [Make sure it's safe to travel, page 20](#).

Tell us if you may need to cancel or delay your journey

If something unexpected happens and you may need to delay or cancel your *journey* you must do the following:

- tell us as soon as possible as it may affect your cover; and
- tell your service providers, such as your transport provider, hotel, and tour operator, as soon as possible.

> See '[C.2 Cancelling or changing your journey before you leave](#)' page 34.

Make sure you have your policy details handy

You may need to check your *policy* or tell us your *policy* number. To help you do this, you could:

- keep the email we sent you that includes your *policy* information; and/or
- text yourself the *policy* number and the *Southern Cross Emergency Assistance* number: **+64 9 359 1602**.

If any of your belongings are lost, stolen or damaged

You must tell the relevant authority, such as the local police, hotel security, or airline, and get a written report on the incident as soon as you can.

If your belongings were in the care of a service provider, such as a transport provider, hotel, or tour operator, file a claim with them first.

> See '[C.4 Baggage and personal items](#)' page 46

If you are admitted to hospital, need surgery, or need medical treatment you expect to cost over \$2,000

You or someone acting on your behalf must ask *Southern Cross Emergency Assistance* for prior approval.

Phone: **+64 9 359 1602** (open 24 hours a day, 7 days a week).

> **Only use this number for emergencies, not for general queries or claims queries.**

If you need minor medical attention expected to cost under \$2,000

If treatment is minor, pay the medical provider then make a claim for assessment.

> **Remember – keep all receipts and any medical or dental notes.**

A.

Your adventure starts here

Your *policy* is a contract of insurance between you and us that consists of all the following:

- this *policy* wording;
- your latest *Certificate of Insurance*
- your medical assessment (if you have declared any *pre-existing medical conditions*); and
- any special terms and conditions we've sent you, including any *Endorsement to your policy*, that confirm any addition to or variation of your *policy*.

Read this policy carefully – check it's right for you

Make sure you read your whole *policy* so you can study in New Zealand with peace of mind. As with all insurance contracts, there are limits to your cover. In particular, please make sure you understand:

- who can get cover on [page 7](#);
- what your *policy* covers on [page 8](#);
- the limits to your cover, and the terms and conditions, on [page 9](#);
- your responsibilities on [page 15](#);
- the general exclusions on [page 62](#); and
- the losses we don't cover under each section.

We've designed this *policy* to cover you:

- travelling from your *home country* to New Zealand (including transit stops) for up to 10 days;
- when you're studying in New Zealand;
- for trips within New Zealand;

- for trips overseas if they are part of your *study course*;
- for temporary visits to your *home country* for up to 90 days; and
- when you have finished studying in New Zealand, travelling back to your *home country* (including transit stops) for up to 10 days.

If you have any questions, call us on **0800 784 691**.

Some words in this policy have specific meanings

If a word or phrase is in italics, it has a specific meaning.

In addition to the words in italics, the following words also have specific meanings:

- 'we', 'us', and 'our' means Southern Cross Travel Insurance; and
- 'you', 'your', and 'yourself' means the insured people named on your *Certificate of Insurance*.

To improve the readability of this document, these words have not been put in italics.

> You can find the specific meanings of other defined words under '[E. Definitions – words with specific meanings, page 72](#)'.

Headings in this document don't affect your cover

The headings in this document are to help you find relevant information. They don't affect the meaning or interpretation of any cover under this *policy*.

We use examples to help explain parts of your cover

When we use an example in this *policy*, it is to help you understand a particular concept, or how particular parts of your cover work. Other terms and conditions may apply when you make a claim, and the examples don't make up all the situations that may apply.

Who can get cover under this policy

You can only get cover under this *policy* if you meet all the criteria below:

- you hold or intend to hold throughout your *journey* a current visa permitting you to study in New Zealand;
- you're either;
 - enrolled at a New Zealand education provider and you regularly attend classes for which you're enrolled up until the time you submitted a claim; or
 - you're a parent or legal guardian and hold or intend to hold a Guardian of a Student Visitor Visa;
- you are aged 55 years or under at the *date your insurance starts*; and
- you haven't been refused cover, had an insurance claim declined, or had an insurance policy cancelled or voided, because of fraud.

When you buy this *policy*, you confirm that you meet these criteria at the *date your insurance starts*, and will keep meeting the criteria until the *date your insurance ends*.

If you don't meet all these criteria at the *date your insurance starts*, we treat your *policy* as void from that date, and don't cover any claims.

You must meet all the criteria for the entire *period of insurance*. If you stop meeting any of the criteria at any time, your *policy* will immediately end. From that date, we have no liability for any further claims, costs, or losses.

If you are thinking about living permanently in New Zealand, we would strongly recommend that you review your *policy* and its suitability for your circumstances. Once you are a permanent resident of New Zealand, you are no longer eligible for cover under this *policy*.

What your policy covers

Your *policy* covers a wide range of losses that are caused by *unexpected events*. See the table on [page 9](#) for a summary of those losses.

An *unexpected event* is something that happens during your *period of insurance* and is all the following:

- sudden, unforeseeable, or unintended;
- outside of your control; and
- something you could not have reasonably expected or avoided.

Examples of events that are not unexpected include events that have been in the news or a weather report before the *date your insurance starts*, like a storm that's on its way. This would not be an *unexpected event*. A reasonably well-informed person would have seen that this event could cause problems for travellers.

A summary of your cover

The table on [page 9](#) summarises the losses this *policy* covers – use it to help you decide if this *policy* is right for you. The table is just a summary, so you'll need to read the rest of this document to understand what you are – and are not – covered for.

All amounts in this *policy* are in New Zealand dollars and include Goods and Services Tax (GST) and other duties.

Aa

Some terms have specific definitions

An *excess* is the first part of the claim for which you are responsible.

> Learn more on [page 12](#).

A *co-payment* is a contribution you need to pay towards the cost of treatment. A 20% *co-payment* is payable for GP, urgent care and after hours visits as well as for any prescriptions you receive.

> Learn more on [page 26](#).

Points to note before you read this table

We base age-related benefits on your age at the *date your insurance starts*. All limits shown apply per person, per *policy*, unless stated otherwise.

Conditions, exclusions, limits and sub-limits apply.

A 20% co-payment applies to GP, urgent care, after hours visits and prescriptions see [page 26](#).

Depreciation may apply to claims for your personal items

When you claim for a personal item, we may subtract the value the item has lost over time since the item was purchased (depreciation).

Point to note

We pay the indemnity value for your personal items.

The indemnity value of an item means the original purchase price less depreciation. Depreciation is calculated monthly, from the date of purchase to the date of loss. Industry standard rates are used and take into consideration the items estimated useful life.

Check you're not already covered under another policy

We won't cover you for claims, costs, losses or liabilities if you have another insurance policy that already covers you. We won't contribute to any claim under any other policy. This applies to any section you claim under in this *policy*.

You pay the excess

An *excess* is the first part of the claim, for which you are responsible. If an *excess* applies to a claim, we subtract that *excess* from the amount we pay.

We only subtract one *excess* for each *unexpected event*. So, if an *unexpected event* means you need to claim under more than one section of this *policy*, we only subtract one *excess*. However, if more than one *unexpected event* affects you, we subtract an *excess* for each event. If multiple claims arise from one event, we only apply any applicable *excess* once.

You will pay an *excess* on the following benefits:

- 'C.2 Cancelling or changing your journey before you leave', page 34
- 'C.3 Changes to your journey once you have left', page 38
- 'C.4 Baggage and personal items', page 46
- 'C.5 Cash, bank cards, travel documents, and passports', page 52

Where there is more than one person on this policy

Where there is more than one person on this *policy*, they must be your partner, your children, or a person holding or intending to hold a Guardian of a Student Visitor Visa.

How cover applies to the people on your journey

This cover applies separately to each person listed on your *Certificate of Insurance*.

The maximum cover under each benefit is per person.

If there's more than one person, all benefits, limits, conditions, and exclusions are as if we issued a separate *policy* to each of those people.

> You can find the limits for your *policy* in the table on [page 9](#).

We may decide to offer you different cover, or refuse cover

When you apply for your *policy*, we can decide how and when to offer cover. We may decide to not offer you cover, or to offer you cover on different terms and conditions – even if you’ve had a *policy* with us before.

We may send you special terms and conditions in any of the following:

- your *Certificate of Insurance*; and
- any *Endorsement to your policy*.

If we do send you special terms and conditions, your cover will be determined by both:

- the terms and conditions in this *policy*; and
- the special terms and conditions we send you.

We email your policy documents when we accept your application

If we accept your application, we send you an email that confirms your cover. The email will include:

- a copy of this *policy*;
- your *Certificate of Insurance* which sets out the details of your *policy*; and
- any special conditions that apply to your *policy* (including any *Endorsement to your policy*).

These documents form your insurance contract.

We usually contact you by email

We send emails to the main policyholder using the email address you give us.

We use email to send you any important documents including the outcome of any medical assessment (if any). If you don’t want to share these important documents with the main policyholder, you’ll need to buy a separate *policy*.

If the *policy* is bought through an *agent* and the *agent* doesn’t give us your email address, then we will send emails to the *agent* on your behalf. If you don’t want to share important documents with the *agent*, please ensure that we have your email address.

When we make decisions and set timeframes, we use the dates we send in an email rather than the date it was delivered or received.

If you don’t receive an email you’re expecting, please check your junk mail first, then contact us.

If you’re the main policyholder

If you’re the main policyholder, you’re responsible for:

- passing on any information we send you to the people named on your *Certificate of Insurance*; and
- any information you give us about people named on your *Certificate of Insurance*.

> [See Give us accurate and complete information, page 16.](#)

For our records, if we contact the main policyholder, we’ve contacted everyone named on your *Certificate of Insurance*.

We keep your information private

Our privacy statement explains when and how we collect, hold, use, and disclose your personal information. You can find our privacy statement at: www.scti.co.nz/privacy.

For example, we use the information about you to:

- decide whether we can cover you
- decide how much you should pay for cover; and
- process any claims.

We won't rent or sell your personal information to other companies.

If you would like to access or correct your personal information, please email us at: info@scti.co.nz.

You have a 14-day free look period

If you cancel your *policy* within 14 days of buying it, you may be entitled to a partial refund. You cannot cancel your *policy* if you have made a claim, or intend to make a claim.

Tell us you want to cancel by calling **0800 784 691** or emailing us at: info@scti.co.nz.

Refunds if you cancel after the 14-day free look period

If you cancel your *policy* after the 14-day free look period, you may be entitled to a partial refund. You cannot cancel your *policy* if you have made a claim, or intend to make a claim. Tell us you want to cancel by calling **0800 784 691** or emailing us at: info@scti.co.nz.

When your cover starts and stops

When you buy your *policy*, you select the dates relevant to your cover.

Cancellation cover begins on the date your insurance starts

From the *date your insurance starts*, you have cover under 'C.2 Cancelling or changing your journey before you leave' (see page 34).

The rest of the cover kicks in under the other sections when you start your journey

From the *date your journey starts*, you have cover under the other sections of your *policy* for:

- travelling from your *home country* to New Zealand (including transit stops) for up to 10 days;
- when you're studying in New Zealand;
- trips within New Zealand;
- temporary visits to your *home country* for up to 90 days, providing you always hold a return ticket to New Zealand and intend to return to New Zealand. Cover is limited to a maximum of \$200,000 per *policy*;
- trips outside New Zealand which are part of your *study course*, providing you always hold a return ticket to New Zealand and intend to return to New Zealand; and
- when you have finished studying in New Zealand, travelling back to your *home country* (including transit stops) for up to 10 days.

When cover for your journey ends

Your cover ends when you have been outside New Zealand on a temporary basis for more than 90 days or on the *date your insurance ends*, whichever happens first.

When we will – and won't – extend your cover

This part of the *policy* explains the circumstances where we can extend your *policy*.

We can extend your cover at no charge if an unexpected event means you can't return to your home country

If an *unexpected event* that we cover stops you from returning to your *home country* at the end of your *journey*, we can extend your cover at no charge if you call us at **0800 784 691** or email us at: info@scti.co.nz.

When you contact us, we'll tell you in writing when your extended cover will end. This will form part of your insurance contract.

To keep getting cover, you must go along with any arrangements we make to get you back to your *home country*. If this is related to a medical event, you must return to your *home country* once we, or our medical team, say you're fine to travel.

Your cover stops if you don't follow our arrangements.

Making other changes to your policy

You can ask us to change your policy and we will decide whether to make any of the changes you ask for.

If we agree to make a change, we'll:

- tell you if you need to pay an extra premium;
- tell you if we need to revise your *policy* or send you a new one; and
- email you to confirm the change and include your changed or new insurance documents.

The changes only take effect when we have sent the email confirming the change and we've received any extra premium.

If you return to your *home country* early, we may be able to shorten your *policy* and provide a partial refund. Call us at **0800 784 691** or email is as: info@scti.co.nz.

Your responsibilities

As a condition of your cover, you must meet the following responsibilities. These responsibilities apply to all sections of this *policy*.

You must be reasonably careful

We expect you to take reasonable care to avoid or minimise a loss, and to take extra care of more valuable items.

Give us accurate and complete information

You must be honest and fair with us. All the information we get from you, or anyone acting on your behalf, about this *policy* and any claim must be honest, accurate and complete.

What we can do if you don't meet your responsibilities

If you don't meet the responsibilities above, we may:

- refuse to issue a *policy*;
- decline any claim;
- reduce our liability for any claim;
- recover any amount we've already paid you for claims;
- cancel this *policy*;
- void this *policy* – this means treating your *policy* as though it never existed; and
- we may refuse to insure you in the future.

If we decide to cancel your *policy*:

- we'll do it by email;
- we won't cover you or anyone listed on your *Certificate of Insurance* from the cancellation date in the email;
- we may keep the premium you've paid for the *policy*; and
- we may refuse to insure you in the future.

If we decide to void your *policy*:

- we'll do it by email;
- we'll treat the *policy* as if it had never existed, and won't cover you or anyone listed on your *Certificate of Insurance*;
- we'll return the premium you paid for the *policy*;
- you'll have to refund any amount we've already paid you for claims, if we ask; and
- we may refuse to insure you in the future.

Claiming and the claims process

It's stressful when things go wrong on a *journey*, so we've made it as straightforward as possible to make a claim. It's important that you tell us as soon as you become aware of any circumstances that may result in a claim.

Making your claim

You can make a claim online at: www.scti.co.nz/claims. Follow the prompts and upload your supporting documents. To avoid delays, make sure you have your supporting documents ready.

When you make your claim, we may ask you to complete a form. You must complete this form and return to us before we can assess your claim.

If you have any questions about making a claim, call us on **0800 784 691**.

You have responsibilities at claim time

You're responsible for doing certain things described in this section before and after you claim, and after we accept your claim. These responsibilities apply to any section you claim under.

Before you claim

You must do all the following before you make a claim.

You can only claim for the same standard of travel and accommodation

If your plans change, you may have to book new flights or accommodation. If this happens, you can only claim for travel or accommodation that's the same standard you originally booked. For example, if you booked premium economy seats, we won't cover an upgrade to business class.

If you can't book the same standard of flights or accommodation, you must get our permission before you book a higher standard.

Tell us as soon as possible

Make a claim as soon as possible.

Prevent any further loss

You must take all reasonable steps to prevent further loss or liability. For example, you would not be taking all reasonable steps to prevent further loss if you:

- knew you couldn't make your *journey*, but couldn't get a refund or credit because you cancelled too late;
- continued to pay towards your *journey* when you knew you had a change in your health that later affects your ability to travel;
- received medical treatment in a private hospital in a country where you could have received free or subsidised medical treatment under the public health system; and/or
- discharged yourself from hospital and suffered a more serious medical event.

Get written reports for medical events

For minor medical events, you pay the costs yourself and submit a claim for assessment. Get a medical report from your medical professional and a copy of any prescriptions you're given. You'll need to submit these with your claim along with your receipts for the payments.

For major medical events, we'll work with you or the hospital to get the information we need to decide cover, so it's important that you call *Southern Cross Emergency Assistance* as soon as you can on **+64 9 359 1602**.

Get written reports for lost, stolen or damaged items

If your items are lost, stolen or damaged, you must report it to the relevant authorities, such as the police or your airline operator as soon as possible, and get a written report from them. If you don't report lost or stolen items to the relevant authorities, we won't pay your claim.

For any claims relating to a lost or stolen mobile phone or device with phone capabilities, you must block the International Mobile Equipment Identity (IMEI) number. You must also send us proof that this IMEI number has been blocked, or confirmation from your provider confirming that it can't be blocked.

Claim refunds, credits, payments, or compensation from anyone else, if you can

You must seek refunds, credits, payments, or compensation from other parties for the loss you're claiming. For example:

- your education provider may give you a refund for *student fees*;
- an airline might give you a refund or a credit;
- your credit card provider might give you a refund; or
- you may be able to claim against a hotel, a transport provider (an airline, ferry operator, or bus company), or travel and tour operator.

If we accept your claim, we'll pay the difference between your cover and any other refunds, credits, payments, or compensation you've received.

Both of the following must apply:

- you've got any other refunds, credits, payments, or compensation for the loss; and
- your claims against anyone else have been decided.

We will ask you to prove that you can't get a refund, credits, payments, or compensation for any costs you're claiming.

If you have other insurance, we won't pay your claim.

Preserve anything that is part of the claim

Don't destroy, dispose of or have repaired anything that is or could be part of the claim without checking with us first.

Once you have claimed

You must do all the following once you've made a claim.

Follow our instructions

Do what we ask you to do and give us the information and help that we need. We may decide to not pay your claim if you don't do what we, or *Southern Cross Emergency Assistance*, ask you to do.

Provide us with proof to support your claim

Send us proof to support your claim. Each benefit requires specific evidence that's needed to prove your claim. You'll need to refer to the benefit you're claiming under to understand what you need to send to us.

Give us necessary documents and authority to act

Give us all necessary documents and authority so that we can deal with your claim. For a claim under See 'C.7 Personal Liability' page 58, you must let us take over, and conduct in your name, the defence or settlement of any claim, and give us full discretion in the handling of any legal proceedings.

If someone is claiming against you, refer them to us

If someone is making a claim against you, don't admit any liability. Instead, let us know about the situation and follow our advice.

Once we've accepted your claim

You must do all the following once we've accepted your claim.

Help us recover money from someone else, if we ask

We have the right to take action to get money back from a person or company that caused a loss you've claimed for under your *policy*.

We'll pay for any action and may:

- act in your name to get money back from other parties;
- take over defending an action that other parties are carrying out against you; and
- defend and settle any claim against you.

You must not start any action against other parties without our written permission. 'Action' includes incurring expenses and negotiating, paying, settling, or agreeing on compensation.

You must help us by:

- answering our questions and giving us any information we ask for; and
- cooperating with us and anyone else we appoint to help us recover the money.

If we pay you for a damaged item, send it to us

Where we pay your claim for a damaged item, it becomes ours. If we ask, you must send it to us, at our cost.

Tell us if your lost or stolen property is recovered

If any lost or stolen items that you claimed for are found, you must tell us. Then we'll decide whether you must give us the recovered items, or refund any money we paid you for them.

What we can do if you don't meet your responsibilities

If you don't meet the responsibilities under this section 'You have responsibilities at claim time', we may:

- decline any claim;
- reduce our liability for any claim;

- refuse to insure you in the future.

If we cancel your *policy*:

- we'll do it by email;
- we won't cover you or anyone listed on your *Certificate of Insurance* from the cancellation date in the email;
- we may keep the premium you've paid for the *policy*; and
- we may refuse to insure you in the future.

Some advice before you go

Make sure it's safe to travel

You must make sure it's still safe to travel to any destinations you are transiting through or visiting by checking for travel advisories on the SafeTravel website www.safetravel.govt.nz.

Your *policy* may be affected if the travel advisory on the SafeTravel website is 'Do not travel' or 'Avoid non-essential travel'.

You need to check this when you buy your insurance, again before you start or return on your *journey*, and before leaving for each new destination.

The table below shows how travel advisories affect your *policy*.

Type of travel advisory	Effect on your policy
A travel advisory that affects just part of a country	You won't be covered for events in that part of the country that relate to that travel advisory.
A travel advisory that affects the whole country	You won't be covered for events anywhere in that country that relate to that travel advisory.

Multiple travel advisories may apply to a country. For example, Ministry of Foreign Affairs and Trade (MFAT) may issue an entire country with a travel advisory because of violent crime. In addition, a city in that country may be experiencing civil riots which results in MFAT issuing a partial travel advisory to that specific area.

Your cover may be impacted if you buy your *policy*, then your destination is given a travel advisory before you leave for that destination, including if you are already overseas at the time the travel advisory is issued.

To find out how you are covered if a travel advisory changes for a destination on your *journey*, call us on **0800 784 691**.

B.

How we cover pre-existing medical conditions

This section applies to any claim under this *policy*. It explains how and when we can cover:

- *illnesses, injuries, and health symptoms* that you knew about when you applied for your *policy* – we call these *pre-existing medical conditions*; and
- changes to your *pre-existing medical conditions* after you buy your *policy*.

> The terms and conditions in this section apply when you make a claim under '[C. What is and isn't covered](#)' (see page 25).

Pre-existing medical conditions

We don't automatically cover any pre-existing medical condition

The *policy* doesn't automatically cover your *pre-existing medical conditions*. However, if you complete a medical assessment within 31 days of the *date your insurance starts*, we may be able to offer you cover for your *pre-existing medical conditions*.

We won't cover undiagnosed pre-existing medical conditions at all

We won't cover undiagnosed *pre-existing medical conditions*. For example, if you're experiencing stomach pains but the medical professionals don't know why, or you're awaiting test results, we won't cover those symptoms.

What we consider a pre-existing medical condition

A *pre-existing medical condition* is any *illness, injury, or health symptom* to which all the following apply:

- you were aware of the *illness, injury or health symptom*, or a reasonable person in the circumstances could be expected to have been aware of it before the *date your insurance starts*;
- in the three years before the *date your insurance starts*, any of the following applied:
 - you sought or received medical help;
 - someone recommended you seek or receive medical help;
 - a reasonable person would have sought or received medical help; and/or
 - you were waiting for medical help.

In this definition, 'medical help' means any of the following:

- advice from a health professional;
- tests, investigations, or specialist consultations;
- care, treatment, or medical attention, including surgery; and/or
- medication or a script for medication.

An *illness, injury or health symptom* doesn't need a confirmed medical *diagnosis* to count as a *pre-existing medical condition*.

We don't treat mental illness as a pre-existing medical condition

If you have had any mental health conditions before the *date your insurance starts*, we don't consider these to be *pre-existing medical conditions*.

We treat pregnancy complications as pre-existing medical conditions

If you have had any pregnancy complications in the 3 years before the *date your insurance starts*, we consider these complications to be *pre-existing medical conditions*. If you experience those same complications, we won't automatically cover you, so if you want cover, you should apply.

Examples of pregnancy complications include:

- pre-eclampsia;
- recurrent miscarriage (that is, three or more consecutive miscarriages);
- small for date baby; and/or
- postnatal depression.

We may be able to cover you for pre-existing medical conditions

If you complete a medical assessment within 31 days of the *date your insurance starts*, we may be able to offer you cover for your *pre-existing medical conditions*.

Continuous cover for pre-existing medical conditions

If you take out a subsequent International Student policy with a *date your insurance starts* which is the day after the *date your insurance ends* under this *policy*, then any *illness, injury or health symptom* first arising during the *period of insurance* under this *policy* (provided it is not a *chronic injury or illness*) or any *covered condition* under this *policy*, will not be treated as a *pre-existing medical condition* under the subsequent policy.

How to apply to cover your pre-existing medical condition under section C

Call us about your pre-existing medical condition

Making sure you have the right cover for your health is important to us. To apply for cover for your *pre-existing medical condition* you must both:

- call us on **0800 784 691** to complete the medical assessment within 31 days of the *date your insurance starts*; and
- tell us about all your *pre-existing medical conditions* when you complete the medical assessment.

We need to know the name of the health condition or *health symptom* of your *pre-existing medical condition* when you apply. If you're unsure, check with your *doctor* first. If you don't tell us about all your *pre-existing medical conditions* it could affect your cover when you submit a claim.

You must tell us about all your pre-existing medical conditions not just some

If you choose to tell us about one *pre-existing medical condition*, you must tell us about all your *pre-existing medical conditions* when you apply for cover and complete the medical assessment.

If you don't tell us about your *pre-existing medical conditions*, we won't cover anything related to them.

Call us if you're unsure

Making sure you have the right cover is important to us. If you have any questions, call us on **0800 784 691**.

If we agree to cover you for a pre-existing medical condition

If we agree to cover any of your *pre-existing medical conditions*, which you tell us about in your medical assessment, we will send you a medical assessment by email confirming the *pre-existing medical conditions* we have agreed to cover. Your medical assessment will list them as *covered conditions*.

We may be unable to cover your condition

If we're unable to cover your *pre-existing medical conditions*, we'll send you an email confirming this. Your medical assessment will list those *pre-existing medical conditions* as *excluded conditions*.

We won't pay any claims for anything related to your *excluded pre-existing medical conditions*.

We won't cover changes or cancellations for expected medical procedures – even if they're for covered conditions

If you need to claim because of a medical procedure you were on a waiting list for or scheduled to receive before the *date your insurance starts*, we won't cover you.

This exclusion applies even if the condition you are having the medical procedure for is listed on your medical assessment as a *covered condition*.

We may cover journey changes caused by the ill-health of someone important to you

Point to note

Take the health of any *immediate family members* into account when you plan your *journey* and choose your cover. We only provide limited cover for changes or cancellations caused by sudden unexpected changes in an *immediate family member's* health.

You can make a claim under 'C.2 Cancelling or changing your journey before you leave' (page 34) or 'C.3 Changes to your journey once you have left' (page 38), if the health of an *immediate family member* unexpectedly gets worse, resulting in any of the following:

- their death;
- their admission to a public or private hospital, for inpatient care as part of non-elective treatment;
- a *doctor* recommending their admission to a public or private hospital for inpatient care as part of non-elective treatment;
- their admission to end-stage palliative care;
- a *doctor* recommending their admission to end-stage palliative care;
- their *diagnosis* of a *terminal condition*; and/or
- their *diagnosis* of a condition that needs radiotherapy or chemotherapy.

The *immediate family member* must also not be over 85 years old before the *date your insurance starts*.

C.

What is and isn't covered

This section explains the details of your *policy*: when you are covered and when you are not.

C.1

Cover for medical and evacuation

This section explains cover for medical treatment and evacuation because of an *unexpected event* on your *journey*.

When you need to check with us before you start medical treatment

You need to let us know about major, but not minor, treatment.

Contact us if you need serious, or expensive medical treatment

You may not be able make a claim if you don't get our approval first. You, or someone acting for you, must contact *Southern Cross Emergency Assistance* as soon as possible if you need serious medical attention.

You must get our approval if you:

- are admitted to hospital;
- need surgery; and/or
- expect your medical and related expenses to be more than \$2,000.

For minor treatment, you pay then claim

If you need minor treatment that's under \$2,000, you pay for it then you make a claim for assessment. You don't need prior approval for minor medical treatment.

Don't forget to keep all receipts, bills, medical reports and any other documents that could support your claim.

!

Point to note

When you claim for the cost of any GP visit, urgent care visit, after hours clinic visit or prescription medication, you make a *co-payment* of 20% of the cost and we pay the remaining amount.

Example 1: If a trip to your GP costs \$100, then you pay the invoice (\$100) and we will reimburse you (\$80). You are responsible for the 20% *co-payment* (\$20).

Example 2: If a trip to an urgent care clinic costs \$1,000, then you pay the invoice (\$1,000) and we will reimburse you (\$800). You are responsible for the 20% *co-payment* (\$200).

!

Point to note

As a visitor to New Zealand, you are covered by the Accident Compensation Corporation (ACC) if you are injured in an accident. ACC helps pay towards the cost of your treatment for your *injury*, including GP services, dental treatment and services, physiotherapist treatment and chiropractor treatment.

If you require treatment in New Zealand for an *injury* caused by an accident, you must first claim through ACC. We will not accept any claim or part of any claim (i.e. ACC top-up) unless written confirmation is provided to us showing that ACC has declined to pay some or all of the cost.

C.1.1 Medical and evacuation**Medical expenses**

We'll cover your actual and reasonable medical expenses if you need medical treatment because of an *unexpected event* during your *journey*.

Your claim must meet the conditions of cover on [page 28](#).

We pay up to the following limits:

- optical treatment, where your vision has changed during your *journey*: \$300 per person, per *policy*;
- *ancillary services* of registered: acupuncturists, chiropractors, dieticians, osteopaths, physiotherapists, podiatrists, or Chinese medicine practitioners: \$500 per person, per *policy*;
- *terrorism*: \$100,000 per person, per *policy*;
- mental health: \$30,000 per person, per *policy*;
- sexual health: \$250 per person, per *policy*; and
- visit to *home country*: \$200,000 per person, per *policy* across all sections of the *policy* subject to all other limits or sub-limits.

Aa

Some terms have specific definitions in this section

When we use the following terms in this section, we mean the definitions we give here. These are not the only terms we use in this section to limit cover so please read the whole of the section.

Chronic injury or illness

An *injury or illness* resulting in either of the following:

- the actual and reasonable medical treatment costs and other associated expenses incurred by you (or expected to be incurred by you) are expected to exceed \$100,000 in total over the twelve months following the *unexpected event*, as calculated by us; or
- you are unable to attend more than 15 consecutive days of your *study course*.

Conditions for chronic illness or injury

Medical expenses cover for *chronic illness or injury* is subject to the following conditions. At our option, we can choose to do either of the following:

- cover actual and reasonable medical expenses in New Zealand for up to 12 months, or until you return to your *home country*, whichever occurs first. Your *period of insurance* will be extended accordingly at no charge; or
- repatriate you to your *home country* at our cost.

!

Point to note

We'll also cover a family member's reasonable costs of travel to New Zealand (a return flight and transfers) to accompany you when we repatriate you.

All evacuation or repatriation cover must meet the conditions of cover on [page 28](#).

We won't subtract an excess from claims we pay under this section.

Conditions of cover

We only cover medical evacuation costs or repatriation if one of the following applies:

- your *policy* covers your medical treatment; or
- your *policy* would cover your medical treatment, but a public health service already covers it. We won't cover any further medical treatment after the date and time we would have moved you, if you refuse to be evacuated or repatriated.

The following conditions also apply to all claims under this section:

- you must, in our opinion, be medically fit to travel with or without an upgrade to your *travel arrangements*;
- we'll decide whether to medically evacuate you or repatriate you. This includes when, where, and how we'll do it;
- if we repatriate you, the accompanying family member's travel will be economy class; and
- if we cover the cost of your repatriation, there is no cover for any unused pre-paid costs of your original return *travel arrangements*.

- Anything excluded under 'C.1.8 Other losses we won't cover under all benefits in Section C.1' (page 33)'; or
- Anything excluded under 'D. General exclusions – things we never cover' (page 62)'.

C.1.4 Extra travel and accommodation costs if you're unable to travel

We'll cover extra travel and accommodation costs if you fall ill or get injured because of an *unexpected event* during your *journey*, and we don't consider you medically fit to travel.

Your claim must meet the conditions of cover on page 31.

We'll cover you and any other person on your *Certificate of Insurance* for your reasonable actual costs of:

- if during this period you have losses relating to pre-paid unused accommodation or travel, we will consider these losses under 'C.3 Changes to your journey once you have left (page 38)'. We will take into account the amount we have paid under this benefit, and will only cover any losses over and above this amount;
- if you are outside New Zealand, once you are declared medically fit to travel, we will cover the cost of additional travel to return you to New Zealand or your *home country* under this benefit; and

- anything excluded under C.1.8 Other losses we won't cover under all benefits in Section C.1 (page 33); or

**What we won't cover**

We won't cover any of the following:

- a *terminal condition* you knew about before the *date your journey starts*.

C.1.7 Search and rescue

- error of a medical provider.

C.2

Cancelling or changing your journey before you leave

The maximum amount we pay for all claims under this section is \$50,000 per person, per *policy*.

The following sub-limit also applies:

- for any claim under this section involving the *existing condition of an immediate family member*, we pay up to \$2,500 per person, per *policy*.

We subtract an excess of \$250 from claims we pay under this section.

C.2.1 Cancelling or changing your journey

We cover you if you need to cancel or change any of your *travel arrangements* below because of an *unexpected event* prior to your departure:

- your first departure from your *home country* travelling to New Zealand or your final departure from New Zealand travelling to your *home country*;
- visiting your *home country*;
- any travel which is part of your *study course* provided you intend to return to New Zealand and hold a return ticket back to New Zealand at all times; and
- departing on a leisure holiday within New Zealand.

For each type of travel expense, we will pay you the higher of the following.

- the total value of your original unused prepaid costs, less any refund or credits you are eligible to receive; or
- the total value of your additional costs, less any refund or credits you are eligible to receive.

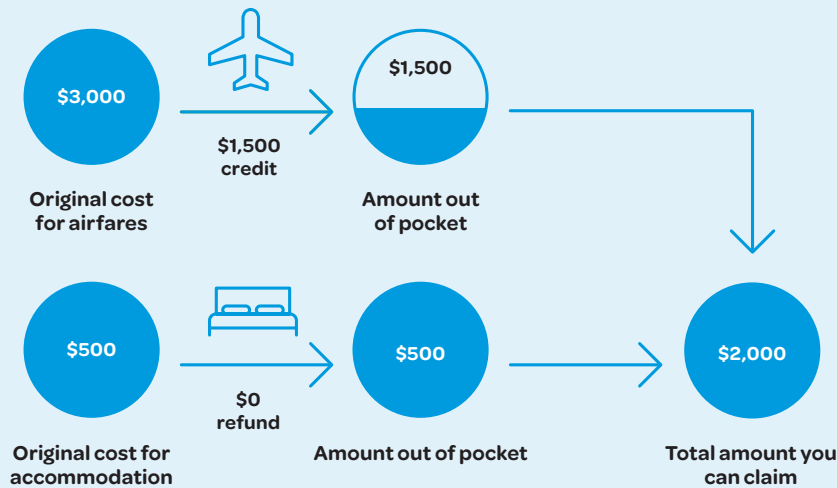

Where you are unable to continue your *study course* in New Zealand, we will pay you your unrecoverable, unused pre-paid *student fees*.

Your claim must meet the conditions of cover on [page 36](#).

We pay you up to \$50,000 per person, per *policy*. The sub-limits under '[C.2 Cancelling or changing your journey before you leave](#)' also apply – see above.

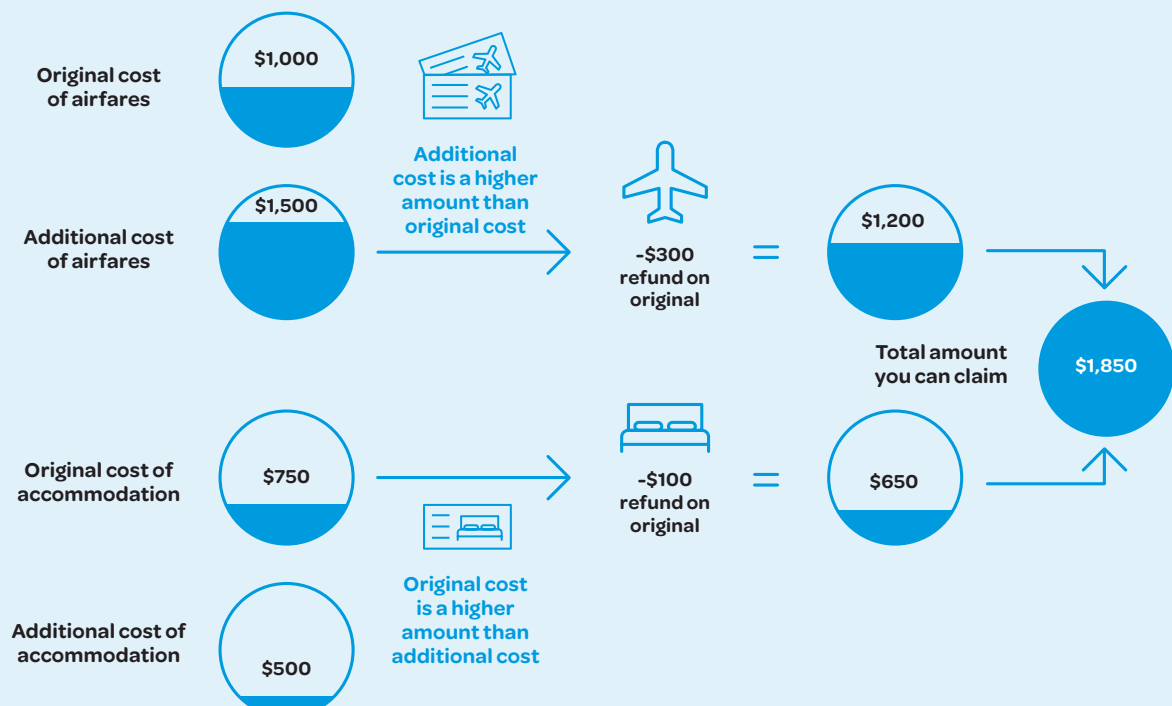

Example: Cancelling your journey

You've paid \$3,000 for airfares and \$500 for accommodation. An *unexpected event* means you need to cancel your *journey*. Your airline gives you \$1,500 credit for the unused airfares. You can't get any refund for your accommodation. This means you can claim \$1,500 for your unused airfares and \$500 for your unused accommodation. This would put you back to your original financial position.

**Example: Changes to your journey**

You've paid \$1,000 for airfares and \$750 for accommodation. An *unexpected event* means you need to change your *journey*. You have to spend an extra \$1,500 on new airfares and \$500 on accommodation to continue your *journey*. Your airline gives you \$300 refund for the unused original airfares and your accommodation gives you a \$100 refund.

This means you can claim \$1,200 for your additional airfares and \$650 for your original unused accommodation, a total of \$1,850. This would put you back to your original financial position.

Conditions of cover

The following conditions apply to all claims under this section:

- you can't claim for the same *unexpected event* more than once for each *policy*;
- the *unexpected event* must directly affect you or an *immediate family member*;
- from any claim we pay you, we subtract all refunds (including taxes) and credit you can receive from third parties; and
- you must either send us proof of any refunds or credits you get, or prove you can't get refunds or credits.

For claims involving an *immediate family member*, the following conditions also apply:

- in claims that have arisen because of an *unexpected event* involving an *immediate family member's* circumstances, we only cover the following *unexpected events*;
 - the *immediate family member* dying;
 - the *immediate family member* being admitted to a public or private hospital for inpatient care as part of non-elective treatment, or a *doctor* recommending that they are;
 - the *immediate family member* being admitted to end-stage palliative care, or a *doctor* recommending that they are; and
 - the *immediate family member* being *diagnosed* with a *terminal condition*, or a condition that requires radiotherapy or chemotherapy;
- the *immediate family member* must also not be over 85 years old before the *date your insurance starts*.

What we won't cover

We won't cover any of the following:

- anything considered unreasonable. For example, when your airline offers you a free flight, but you decide to buy a different flight that gets you to your destination only a few hours before the free flight;
- if a reasonable person in your situation would have expected your plans to change;
- you decide you don't want to travel, your disinclination to travel or your change of mind;
- you booked a *journey*, even though you knew you were on a waiting list for a medical procedure and could get a date that would clash with your *journey* dates;
- you, or someone acting for you, didn't tell your service provider about a problem quickly enough, so you lost a deposit, were charged more, or your refund or credit amount was reduced;

- your failure to check in or board at the right time for a *scheduled transport service*;
- your failure to get the bookings, tickets, passport, visas, visa waivers, Electronic System for Travel Authorisation (ESTA) or documents you needed for your *journey*, didn't have them with you, or failed to ensure that they were valid and correct;
- you are denied check in or boarding on a *scheduled transport service* by a transport provider or any authority for any reason;
- you didn't have a confirmed seat, booking, or reservation, including travelling on standby tickets;
- your financial circumstances prevented you from travelling;
- another person who's essential to your *journey* being able to travel but deciding they don't want to;
- your return *journey* to your *home country*, if you hadn't already paid for transport back to your *home country* when the *unexpected event* happened;
- your return from a visit to your *home country* if you hadn't already paid transport back to your home in New Zealand when the *unexpected event* happened or didn't intend to return to New Zealand;
- your return from any travel which is part of your *study course* if you hadn't already paid transport back to New Zealand when the *unexpected event* happened or didn't intend to return to New Zealand;
- the error, default, or *financial collapse* of a service provider;
- currency rate fluctuations;
- commitments for work or study, including requests or requirements of employers, academic providers or organisers;
- delays and rescheduling where you can get full refunds or credits from a transport provider or any other source;
- payments for ceremonies or receptions, including weddings and cultural events;
- an *epidemic* or *pandemic*, or the perceived threat of an *epidemic* or *pandemic*;
- an act of *terrorism* or the perceived threat of *terrorism*;
- any amount that your service providers refund or provide credit for, including taxes;
- domestic *travel arrangements* in your *home country* unless the travel is related to your international travel which has a connecting international flight within 24 hours;
- your *travel arrangements* being cancelled or changed due to a *cyber attack*; or
- anything excluded under 'D. General exclusions – things we never cover' (page 62).

C.3 Changes to your journey once you have left

The maximum amount we pay for all claims under this section is \$50,000 per person, per *policy*.

The following sub-limit also applies:

- for any claim under this section involving the *existing condition* of an *immediate family member*, we pay up to \$2,500 per person, per *policy*.

We subtract an excess of \$250 from claims we pay under this section.

C.3.1 Travel interruption

We cover you if an *unexpected event* interrupts your *journey* so that you need to re-arrange your *travel arrangements* relating to travel between:

- your *home country* and New Zealand;
- a destination which is part of your *study course* and New Zealand; and
- your home in New Zealand and your leisure holiday destination in New Zealand.

For each type of travel expense, we will pay you the higher of the following:

- the total value of your original unused prepaid costs, less any refund or credits you are eligible to receive; or
- the total value of your additional costs, less any refund or credits you are eligible to receive

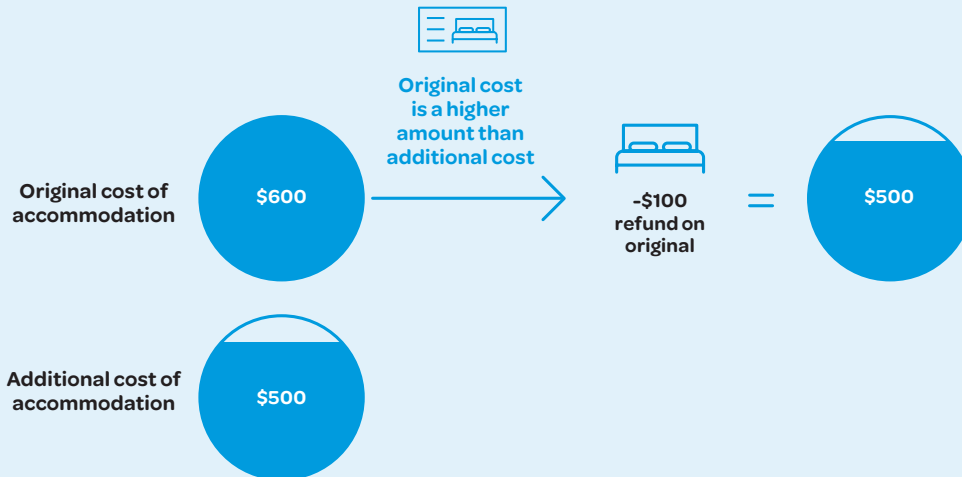

Your claim must meet the conditions of cover on [page 40](#).

We pay you up to \$30,000 for each person per *policy*.

Example: Travel interruption during your journey

After starting a multi-destination journey, an *unexpected event* means you can't reach your next destination until two days after you were supposed to get there. Your airline changes your flight for free. However, you need to find new accommodation in your current destination, which costs \$500. You had paid \$600 for the two days accommodation in your next destination, which you don't use. This accommodation provider gives you a \$100 refund.

This means you could claim \$500, which is the higher of your original unused prepaid costs and your additional costs, less the \$100 refund you have received.

**Example: Travel interruption at the end of your journey**

At the end of your journey, an *unexpected event* means you can't return to your home country until two days after you were supposed to arrive. Your airline changes your flight for free. However, you need to find new accommodation in your current destination, which costs \$600.

This means you could claim \$600, which is your total additional unexpected cost. This would put you back to your original financial position.

Example: Prepaid costs versus additional costs

You've paid \$10,000 for a tour which includes accommodation, transport and meals. An *unexpected event* means you are delayed and need to cancel your tour which is non-refundable. While delayed, you incurred additional accommodation, meal and transport expenses totalling \$3,000.

We'll pay the higher value of either your original unused prepaid costs, or your additional costs, less any refunds you were eligible for.

In this case, your original unused prepaid costs are \$10,000, and your additional costs are \$3,000. You received no refund for the original unused prepaid costs. As the original unused prepaid cost is the higher amount, we will pay you \$10,000 for this event. This is because you were unable to use the original prepaid tour so the \$10,000 paid for the tour is considered your out-of-pocket cost.

**Conditions of cover**

We only cover claims relating to the first 30 days you are delayed after the *unexpected event*.

Everything under 'C.3.4 Conditions of cover for changes to your journey once you have left' (page 43) also applies.

**What we won't cover**

We won't cover any of the following:

- anything considered unreasonable. For example, when your airline offers you a free flight, but you decide to buy a different flight that gets you to your destination only a few hours before the free flight;
- anything excluded under C.3.5 Other losses we won't cover if you need to change your plans after you've left (page 44); or
- anything excluded under 'D. General exclusions – things we never cover' (page 62).

C.3.2 Cutting your journey short

We cover you if an *unexpected event* interrupts your *journey* so that you need to re-arrange your *travel arrangements* to cut short:

- your *journey* to return to your *home country*;
- your visit to your *home country* to return to New Zealand;
- your visit to a destination that is part of your *study course* and New Zealand; or
- your leisure holiday destination in New Zealand.

For each type of travel expense, we will pay you the higher of the following:

- the total value of your original unused prepaid costs, less any refund or credits you are eligible to receive; or
- the total value of your additional costs, less any refund or credits you are eligible to receive.

Where you are unable to continue your *study course* in New Zealand, we will pay you your unrecoverable, unused pre-paid *student fees*.

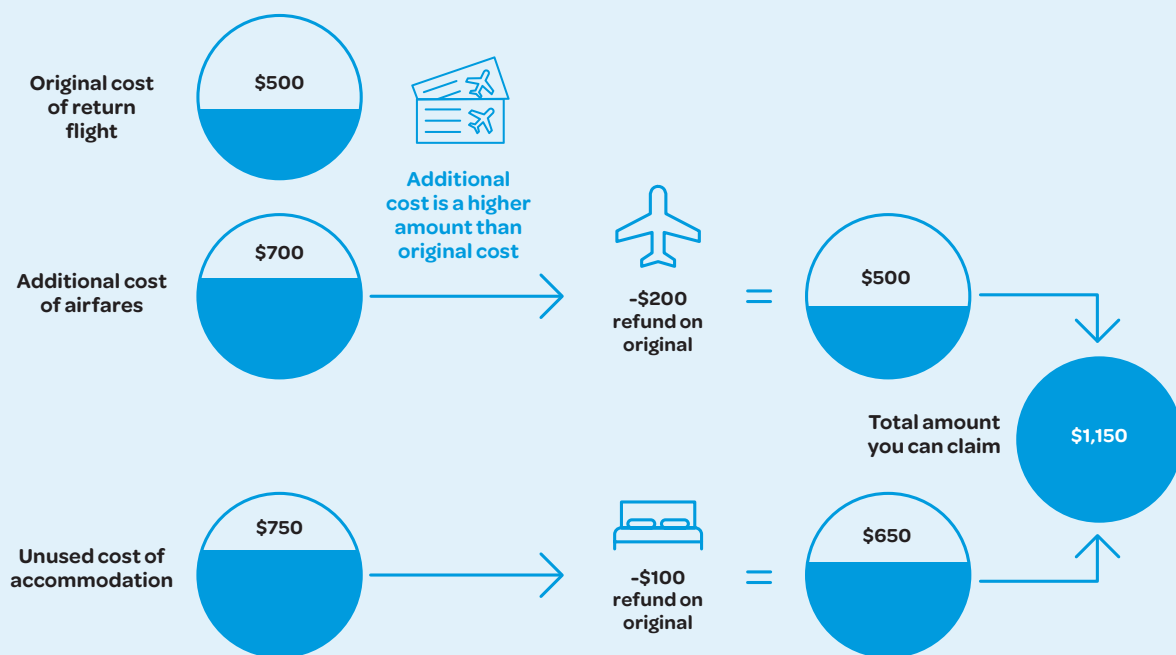

Your claim must meet the conditions of cover on [page 42](#).

We pay you up to \$50,000 per person, per *policy*.

Example: Cutting your journey short

On a study trip to Australia, you've paid \$1,000 for airfares and \$1,500 for 10 nights' accommodation. An *unexpected event* means you need to return to New Zealand early after five nights. Your original airline can't change your return flight, so you buy a new flight for \$700 with a new airline. Your original airline refunds you \$200 for your unused return ticket. You cancel your remaining five nights' accommodation and get a \$100 refund.

This means you can claim \$500 for your new air fare and \$650 for your unused accommodation, a total of \$1,150. This would put you back to your original financial position.

Conditions of cover

Everything under 'C.3.4 Conditions of cover for changes to your journey once you have left' (page 43) applies.

What we won't cover

We won't cover any of the following:

- anything excluded under 'C.3.5 Other losses we won't cover if you need to change your plans after you've left' (page 44); or
- anything excluded under 'D. General exclusions – things we never cover' (page 62).

C.3.3 Resumption of journey

If an *unexpected event* causes you to cut short your *journey* and return to your *home country*, we will cover the cost of your *travel arrangements* to return to New Zealand to continue your studies.

Your claim must meet the conditions of cover below.

We pay up to \$5,000 per person per *policy*.

Conditions of cover

- We have accepted your claim under 'C.3.2 Cutting your journey short' (page 40);
- less than 50% of the *period of insurance* had elapsed at the time of the *unexpected event*;
- your return to New Zealand occurs prior to the original end *date of insurance* of your original *journey*;
- your *travel arrangements* are economy class transport only; and
- everything under C.3.4 Conditions of cover for changes to your journey once you have left (page 43) also applies.

What we won't cover

We won't cover any of the following.

- Where we have repatriated you under 'C.1.1 Medical and evacuation' (page 26)
- Anything excluded under 'C.3.5 Other losses we won't cover if you need to change your plans after you've left' (page 44); or
- Anything excluded under 'D. General exclusions – things we never cover' (page 62).

C.3.4 Conditions of cover for changes to your journey once you have left

The following conditions apply to all claims under this section.

- You can't claim for the same *unexpected event* more than once for each *journey*;
- you can't claim under both 'C.2 Cancelling or changing your journey before you leave' (page 34) and 'C.3 Changes to your journey once you have left' (page 38) for the same *unexpected event*;
- the *unexpected event* must directly affect you or an *immediate family member*;
- from any claim we pay you, we'll subtract all refunds (including taxes) and credits you can receive from third parties;
- you must either send us proof of any refunds or credits you can get, or prove you can't get refunds or credits; and
- if you hadn't already paid for your return transport when the *unexpected event* happened, we'll subtract the price to get you back. The price will be for the original method of transport you used for your *journey*.

If the claim involves an *immediate family member*, the following conditions also apply.

- In claims that have arisen because of an *unexpected event* involving an *immediate family member's* circumstances, we only cover the following *unexpected events*:
 - the *immediate family member* dying;
 - the *immediate family member* being admitted to a public or private hospital for inpatient care as part of non-elective treatment, or a *doctor* recommending that they are;
 - the *immediate family member* being admitted to end-stage palliative care, or a *doctor* recommending that they are; and
 - the *immediate family member* being *diagnosed* with a *terminal condition*, or a condition that requires radiotherapy or chemotherapy;
- the *immediate family member* must not be over 85 years old before the *date your insurance starts*.

C.3.5 Other losses we won't cover if you need to change your plans after you've left

What we won't cover

We won't cover any of the following:

- you decide you don't want to continue your *journey*, your disinclination to travel or your change of mind;
- you travelling to your *home country* where the *unexpected event* directly relates to an *immediate family* member located in New Zealand;
- you started your *journey*, even though you knew you were on a waiting list for a medical procedure and could get a date that would clash with your *journey* dates;
- you, or someone acting for you, didn't tell your service provider about a problem quickly enough, so you lost a deposit, were charged more, or your refund or credit amount was reduced;
- your failure to check in or board at the right time for a *scheduled transport* service;
- your failure to get the bookings, tickets, passport, visas, visa waivers, Electronic System for Travel Authorisation (ESTA) or documents you needed for your *journey*, didn't have them with you, or failed to ensure that they were valid and correct;
- you are denied check in or boarding on a *scheduled transport* service for any reason;
- you didn't have a confirmed seat, booking, or reservation, including travelling on standby tickets;
- your financial circumstances prevented you from starting or continuing on your *journey*;
- another person who's essential to your *journey* deciding they don't want to continue on your *journey*;
- your return travel expenses if you hadn't already paid for transport to New Zealand when the *unexpected event* happened;
- your return from a visit to your *home country* if you hadn't already paid for transport back to your home in New Zealand when the *unexpected event* happened or didn't intend to return to New Zealand;
- your return from any travel which is part of your *study course* if you hadn't already paid for transport back to New Zealand when the *unexpected event* happened or you didn't intend to return to New Zealand;
- the error, default, or *financial collapse* of a service provider;
- currency rate fluctuations;
- commitments for work or study, including requests or requirements of employers, academic providers or organisers;
- delays and rescheduling where you can get refunds or credits from a transport provider or any other source;

- payments for ceremonies or receptions, including weddings and cultural events;
- an *epidemic* or *pandemic*, or the perceived threat of an *epidemic* or *pandemic*;
- an act of *terrorism* or the perceived threat of *terrorism*;
- any amount that your service providers refund or provide credit for, including taxes;

- your *travel arrangements* being disrupted due to a *cyber attack*; or
- anything excluded under 'D. General exclusions – things we never cover' (page 62).

- left in unlocked premises at any time, such as your unlocked flat, house or apartment;
- left in an unlocked car;
- left in a locked car at night;
- not on, or under the control of, you or an *immediate family member*;

Other items (or pairs or sets of items), smart watches and mobile phones – including related accessories.	\$1,500 for each item

How we pay claims for personal items

When we pay a claim for a personal item, at our option, we do one of the following.

- pay you the cost of getting the item repaired;
- pay you the indemnity value of the item; or
- give you a credit for the indemnity value at a retailer we choose.

We work out the indemnity value of an item by subtracting the depreciation which the item has lost over time from the purchase price of the item. For details on how depreciation applies, see [page 12](#).

Keep damaged items

Please keep any damaged items in case we ask you for them.

**Conditions of cover**

We only cover your claims for personal items if you meet the conditions below.

This is not a replacement for rental vehicle insurance

This benefit covers the excess that you need to pay to the licensed rental vehicle company if your rental vehicle is stolen or damaged.
